ARSALAN FAKHRAEI

Vancouver, BC | +1(250) 863-1553 | linkedin.com/in/arsalan-fakhraei | www.arsalanfakhraei.ca

EDUCATION

University of British Columbia, Sauder School of Business — Expected May 2027
Bachelor of Commerce, Finance Option, Business Analytics Concentration — *Vancouver, BC*

- Relevant coursework: Corporate Finance, Investment Theory, Applied Financial Markets, Financial and Managerial Accounting, Business Statistics, Quantitative Decision Making
- In progress: Risk Management and Financial Engineering, Investment Policy, FinTech, Data Analysis and Visualization

University of British Columbia Okanagan, Faculty of Management — Sep 2022 – Apr 2024
Bachelor of Management program; transferred to UBC Sauder in 2024 — *Kelowna, BC*

Islamic Azad University, Science and Research Branch — 2020 – 2021
Electrical Engineering program (one year completed) before moving to Canada — *Tehran, Iran*

EXPERIENCE

CFA Institute Research Challenge, UBC Team — Nov 2025 – Feb 2026
Equity Research Analyst (five-person team) — *Vancouver, BC*

- Issued a Buy recommendation on Intact Financial (TSX: IFC) with a $311 target price and 21.9% implied upside; presented to a panel of CFA charterholders
- Owned the ESG section: converted Sustainalytics risk scores into a 1–10 scorecard and tied climate exposure (C$1.54B catastrophe losses, 7.1% CAT loss ratio) to underwriting and reinsurance outcomes
- Contributed to a price-to-book valuation (2.5x FY2027E book value per share), P/E comparables for eight Canadian, U.S. and UK P&C insurers sourced from S&P Capital IQ, segment-level underwriting forecasts, and bull/base/bear cases ($338 / $311 / $284)

Independent Trading & Market Research — Feb 2025 – Present
Trader and Analyst, four-person trading group — *Vancouver, BC*

- Specified and run an automated Python pipeline (AI-assisted coding) that builds a 5-page morning briefing: 100+ issues since April 2026 covering what moved and why, a 15-name watchlist, a fragility meter and dealer gamma
- Built a 440-entry log of screened movers' Day-2 and Day-5 returns to test a small-cap strategy's expected value
- Trade a personal Interactive Brokers account (peak ~US$87K) and write a weekly market read-through (macro, options positioning, sector rotation) for the group, which includes a wealth manager (C$50M+ AUM) and a commercial banker

ENGINEERING & ROBOTICS

Amirkabir University of Technology, Under-19 Robotics Team — 2015 – 2019
Team Lead; Mechanical and Electronics Design — *Tehran, Iran*

- Led a four-person team to 3rd place nationally at FIRA RoboCup Iran (Mission Impossible: build and program a robot from scratch for a mission revealed on site) after two non-placing years; qualified for internationals
- Owned mechanics and electronics: designed parts in SolidWorks and custom PCBs in Altium Designer, and co-wrote Arduino C++ for a robot that follows a line, finds a lit candle by its heat, puts it out and clears an obstacle course

LEADERSHIP & COMPETITIONS

JDC West Business Competition — Sep 2022 – Jan 2024
Delegate, Business Technology Management (2023–24) and Business Strategy (2022–23) — *Western Canada*

- Represented UBC Okanagan two years running; presented live-case recommendations to industry judges under 3-hour limits

UBC Okanagan Consulting Club — Oct 2023 – May 2024
Vice President, Membership — *Kelowna, BC*

- Implemented HubSpot CRM for member tracking; event participation and web traffic grew 20% month over month

Management Student Association, UBC Okanagan — Sep 2022 – May 2023
Director of Corporate Relations — *Kelowna, BC*

- Secured sponsorships from 5+ industry partners, growing annual funding 25%; ran networking events with local business leaders
